PLEASE NOTE:

POSTAGE

Will Clubs ensure that when sending Result Sheets and Player Registration Forms to the League, the correct postage is on the envelope.
There have been several instances recently where First Class Large Mail has been sent with just a First Class stamp affixed, with a result that we have had to call at our local Royal Mail sorting office to collect the underpaid items and pay the excess postage plus a handling charge of £1. This has also meant a delay in receiving Registration Forms.

HANDBOOKS

Due to problems beyond our control, the Handbooks are still in the course of being printed with a result that there will be a delay in sending these out to everyone.
